

Scottish Hydro Electric Transmission plc

Statement of Compliance with our Stakeholder Engagement Strategy and Implementation Plan 2017/18

We, Scottish Hydro Electric Transmission plc, confirm that we are proactively engaged in delivering our Stakeholder Engagement Strategy and Implementation Plan, in particular

- our personnel demonstrate an understanding of the six elements that form the basis of our Stakeholder Engagement Strategy and Implementation Plan
- we have undertaken activities equal to or equivalent to those activities set out in our Stakeholder Engagement Strategy and Implementation Plan
- we can justify any occurrence of variation from our Stakeholder Engagement Strategy and Implementation Plan by reference to stakeholder preferences and any alternative approaches we have adopted are designed to meet the same overarching objective
