

SCOTTISH HYDRO ELECTRIC TRANSMISSION PLC

Statement of Exceed with our 2019/2020 Stakeholder Engagement Strategy and Delivery Plan

We, Scottish Hydro Electric Transmission plc, confirm that we are proactively engaged in delivering our Stakeholder Engagement Strategy and Delivery Plan and have actively sought to deliver an enhanced approach to stakeholder engagement, in particular:

- Our personnel demonstrate an understanding of the six elements that form the basis of our Stakeholder Engagement Strategy and Delivery Plan.
- We have undertaken activities equal to or equivalent to those activities set out in our Stakeholder Engagement Strategy and Delivery Plan.
- Additional activities have been undertaken to further understand stakeholder requirements or preferences and/or to respond to particular needs of one or more stakeholder groups; and/or
- We have demonstrated that we have sought to go beyond the scope of our Stakeholder Engagement Strategy and Implementation Plan to better achieve our stated aim of placing stakeholders at the centre of our business planning and improvement processes.
- Variation from our Stakeholder Engagement Strategy and Implementation Plan can be justified by reference to stakeholder preferences or alternative approaches have been adopted to meet the same overarching objective.
